Andrea,

This might just be a timing issue but there is no mention in Rohan's CV that he has been admitted in the Supreme Court as a legal practitioner. You will remember from our earlier general discussions about appointments that admission was a mandatory requirement for appointment and I expect Warwick will want to see confirmation about this. Has Rohan been admitted yet? If so, could he provide a copy of his admission certificate or something else to confirm?

Regards,

John

Dear Catherine

As you are aware, over the past few months the Court has been undertaking an extensive registrar recruitment exercise. Rohan Muscat commenced as a National Registrar. Please find attached Rohan's CV.

Sia Lagos, NOR recommends that the Chief Executive Officer appoints Rohan as a registrar of the FCA and FCC as per the details below:

	Name	Position	For purposes of the FCC/FCCA Instrument /Directions (delegated powers)	Location	Oath or Affirmation
	Rohan Luke Muscat	National Registrar	Registrar	Sydney	▪ Affirmation

I would be most grateful if you could please arrange for the FCA/FCCA appointment instruments and directions (delegated powers instruments, bankruptcy delegation etc.) to be prepared for Rohan and emailed to me.

I have arranged for Justice Rares to swear in Rohan in the FCA on Wednesday, 27 February 2019 at 9.30am in chambers in Sydney.

Catherine: Can you please advise if an FCC Judge based in Sydney would be available to swear in Rohan on 27 February 2019 in chambers.

Kind regards

Andrea
